Kiss me mother, kiss your darlin'.
lay my head upon breast.

[CH¹]

Throw your loving arms around me
I am weary let me rest.

Seems the light is swiftly fading.

Brighter scenes they do now show

I am standing by the river

Angels wait to take me home.

[V¹]

Kiss me

See the pain upon my brow

While I'll soon be with the angels,

Fate has doomed my future now.

[CH²]

• Through the years, you've always loved me

And my life you've tried to save,

But now I shall slumber sweetly

In a deep and lonely grave.

[V²]
